

2024 Oral Clinical Vignette Competition Guidelines

A clinical vignette is a report of one or more cases that illustrates a new disease entity or a prominent or unusual clinical feature of an established disease. It may include a summary of pertinent patient history, physical exam findings, laboratory data, or management approaches. The best presentations are done as a mystery, which is revealed at the end of the presentation and then discussed.

DEADLINE to submit the abstract representing your Program:
September 22, 2024
No late entries can be accepted.
Must be submitted by the Program Director via this form:
<https://form.jotform.com/241764842314154>

Those competing must be a PGY-2 or PGY-3 Resident - ***selected by their program*** from an Arizona Internal Medicine residency program to present the **oral clinical vignette**.

- ❑ **Only one abstract submission may be nominated per residency program to present a vignette.**
- ❑ In order to present an abstract/oral presentation, ***the resident must be an ACP member***. Most programs automatically register their residents; contact Rachael Lowery (rlowery@acpazchapter.org) to check on membership status.
- ❑ Every presenter must be **registered to attend** the meeting (\$30). Registration available online when launched mid-summer.
