TRANSFORMING CARE AND ELEVATING OUTCOMES***

**SUBMISSION DETAILS TO FOLLOW. DEADLINE: SEPTEMBER 3, 2024.**

Stories are an essential part of medicine. They remind us of our humanity and connect us. We invite submissions from ACP SoCal Chapters medical student, resident/fellow, and early career physician members related to reimagining the practice of medicine, transforming the healthcare system, or a unique interpretation of this year's theme. All types of original submissions are welcome including reflections, essays, short stories, and poems with a 350 word limit. Must be an ACP member of the SCAL1, 2 or 3 Region to submit an entry and no more than 2 submissions per member. Learn more about joining ACP [here](#).
