**“Navigating Medicine: The Native American Experience”  
November 13, 2024, 7:00 pm - 8:15 pm ET via Zoom**

Click [Here](#) to Register!

November is **National Native American Heritage Month**, and honors the history, culture, and achievements of Indigenous peoples in the United States.

Join us for an interactive session, in which physician panelists will share their experiences. Through this experience, attendees may discover new insights to provide more sensitive and welcoming health care.

*Event sponsored by the ACP Massachusetts Chapter  
Justice, Equity, Diversity & Inclusion (JEDI) Committee*
