

## **MD ACP CHIEF RESIDENTS ASSOCIATION (CRAB)**

***INVITES ALL FACULTY, RESIDENTS & STUDENTS TO ATTEND***

### **Nuts & Bolts of Poster Presentations & Abstract Writing**

***WEDNESDAY, JANUARY 15, 2025, 6:30 PM***  
**(ZOOM MEETING ONLY)**

**Format for the meeting:** General Intro by **Dr. Colleen Christmas**, (MD ACP Governor, and Rosemarie Hope Reid, MD Professor, Director, Primary Care Leadership Tract, & Associate Professor of Medicine, JHSOM). This will be followed by registrants attending four different sessions with presenters on Clinical Vignette Posters, Research Abstracts, Research Posters & Clinical Vignette Abstracts.

**ATTENDEES ARE ASKED to come prepared with questions!**

The workshop will provide the following:

- Concise information on how to write and present both abstracts and posters
- Discussion groups on characteristics of good and bad posters
- Both award winning and problematic abstract/poster presentations will be reviewed
- Helpful tips on formatting, poster titles, poster lay-out and content organization

**If you are interested in attending, please click [here](#).**

**Questions?? Contact Maryellen at [mew4work@aol.com](mailto:mew4work@aol.com).**

We look forward to seeing you at the ZOOM workshop!
