GENDER-AFFIRMING CARE IN THE PRIMARY CARE SETTING

Tuesday, November 19, 2024 • 12:00PM

Presented By: Julie Blaszczak, MD, MEHP (she/her/hers),
Assistant Professor, University of Michigan Department of Family Medicine

This webinar has been designated for 1.0 AMA PRA Category 1 Credit(s)TM and 1.0 MOC points.

Hosted by the MI-ACP Diversity, Equity, Inclusion and Justice Committee

OPEN TO ALL – NO FEE REQUIRED

ABOUT THE SESSION

The session will cover the basics of gender-affirming care in the primary care setting including, but not limited to, inclusive terminology and communication, how to create an inclusive practice environment, recommended guidelines for evidence-based care, specific considerations for gender diverse individuals in regards to screenings and family planning, and an introduction to the initiation and continuation of gender-affirming hormone therapy.
