CME Accreditation

The American College of Physicians (ACP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The ACP designates this other activity (live component and enduring component) for a maximum 17.75 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This meeting is eligible for 17.75 MOC Points.

How Do I Receive My CME Documentation?

The website for claiming CME credit will be available after the conclusion of the meeting on October 27. You will need to complete the online survey about the meeting before you will be able to claim your CME and MOC. Go to <https://online2.snapsurveys.com/fmprpd>. Log in with your [ACPOne.org](https://www.acponline.org) username and password. Your name and ACP number will automatically appear in the form, but you will need to enter your email address. Choose the Michigan Chapter meeting, enter the number of CME credits you are claiming for the meeting (You cannot claim concurrent CME) and click "Submit for Credits". You will receive an email confirmation of your CME credit claim. Any questions, please call ACP Customer Service at 1-800-523-1546, x2600 or 215-351-2600.

Pathways to Fellowship

Attendance at Chapter meetings can help all ACP members meet the qualifications for advancement to Fellowship. It is especially important for those applying under the pathway, which requires being a member in good standing for at least three years since completion of residency training.

Attendance at Chapter meetings can help SHM members meet the requirements to achieve the Fellow and Senior Fellow designations. A minimum of three years as a member of SHM is required.

Chapter Excellence Award

We are pleased to announce that the Michigan Chapter ACP has received the American College of Physicians 2024 Chapter Excellence Gold Award. The Chapter Excellence Award recognizes those chapters that excel in reaching the standards for managing a chapter, such as communicating to members, instituting Medical Students and Residents activities and advancing and recruiting members.

ACP Membership

Join ACP Today! The American College of Physicians (ACP) is a diverse community of 161,000 internal medicine physicians, subspecialists, residents, fellows, and medical students worldwide. Join us to advance your career and the internal medicine profession. Proud to be the professional home, representing all of Internal Medicine. [Click here](#) to learn more about ACP membership.

SHM Membership

Not a SHM Member? Join the first and only association dedicated to advancing the field of hospital medicine. When you join SHM, not only will you gain a home, but you will also become a part of a larger movement that impacts the lives of hospitalized patients worldwide through innovation and collaboration. [Learn more](#) about joining SHM today.

Wellness Session

Saturday, October 26, 2024

1:30PM-2:30PM

Stephanie Czarnik, MD, FACP; Hugo Dávila, MD, FACP

As “attending” physicians, or future “attending” physicians, it is important to cultivate our ability to “attend” to our patients, our families, our colleagues, students, other healthcare team members and life in general, including ourselves. Join us in this experiential workshop where we will practice the art of Presence by attending to the present moment. Practices will be held indoors, and may include gentle movement, breathing, listening, speaking and eating. We look forward to seeing you and practicing together.
