Early Career Transitions Webinar

Thursday, August 15, 2024
6:00PM

Open
to All –
No Fee to
Attend!

INFORMATION

Please join us for an insightful panel discussion on Early Career Transitions in the field of medicine. After completing their training, many physicians embark on their first professional roles driven by factors such as location, convenience, initial expectations, or personal uncertainties. However, career trajectories can evolve, prompting the need to pivot towards new opportunities. Join our panel as we explore strategies for identifying new career paths, successfully navigating transitions, and thriving in your chosen field.

MODERATOR

Allison Ruff, MD, MHPE, FACP
Clinical Associate Professor
University of Michigan
