# WELCOME MESSAGE

## Prof. Faisal Abaalkhail

Governor

ACP - Saudi Arabia Chapter

It is with immense pride and excitement that I welcome you to the ACP Saudi Arabia Chapter Annual Meeting. As the Governor, I am delighted to bring together our esteemed community of healthcare professionals for this significant event, where we will explore the latest advancements in medicine, share knowledge, and celebrate our collective achievements.

This year's meeting is designed to inspire and invigorate our commitment to excellence in the medical field. We have assembled a distinguished group of speakers and experts who will lead us through a series of lectures, hands-on workshops, and thought-provoking discussions. Their insights and experiences will undoubtedly enrich our understanding and broaden our perspectives on the evolving landscape of healthcare.

Beyond the formal sessions, this meeting offers a unique opportunity for networking, collaboration, and the exchange of ideas among peers. It is a platform where innovation meets tradition, and where the future of medicine in Saudi Arabia is shaped by the shared expertise of our vibrant community.

We are deeply grateful to our speakers, sponsors, and all who have contributed to making this event possible. Your dedication and support are the driving forces behind the success of our chapter and the impact we continue to make in the field of medicine.

I look forward to engaging with each of you during this event and to witnessing the growth and development that will emerge from our time together.

Thank you for joining us in this journey of learning, collaboration, and excellence in healthcare.

Sincerely,

Governor

ACP - Saudi Arabia Chapter

# ABOUT

## American College of Physicians (ACP)

ACP is the largest medical specialty organization in the United States with members in more than 168 countries worldwide. Our 161,000 members include internal medicine physicians, related subspecialists, and medical students.

---

## ACP - Saudi Arabia Chapter

The membership of ACP is divided into 84 chapters and regions, each uniquely tailored to the needs and interests of its members.

Our Saudi chapter, supervised by the Governor Prof. Faisal Abaalkhail, is committed to upholding these principles while also addressing the unique healthcare challenges and opportunities within our local context.

# ACP Saudi Arabia Chapter ANNUAL MEETING

Join us to connect with leading medical professionals, attend expert-led sessions, and explore the latest advancements in Internal Medicine through engaging lectures, dynamic hands-on workshops, stimulating Doctors' Dilemma competitions, and innovative poster presentations.

# Poster Competition

Fri-Sat, 5-6 Sep 2024

Alfaisal University, 1st Floor Male Theater (LT. 02)

The Poster Competition at the ACP Saudi Arabia Chapter Annual Meeting is an exciting opportunity for medical students, interns, residents, fellows, and early career physicians to showcase their research, clinical cases, and innovative ideas. This competition serves as a platform for participants to present their work to a panel of esteemed judges and peers, fostering academic growth and professional development.

## Judging Schedule

- Friday: 12:00 PM – 3:00 PM
- Saturday: 12:00 PM – 3:00 PM

## Venue

- Alfaisal University
- First Floor around Male Theater

## Categories

Medical Students/Interns

Residents/Fellows

Early Career Physicians

1

2

3

4

5

**TOP 5** winners will be awarded and have their posters submitted to the ACP Annual Meeting in April 2025 in the United States.

## Guidelines for Poster Preparation

**All posters must be physically put up in the Venue (i.e., First floor hallways near Male Theater (LT.02) ) one day before the competition (4 Sep, 2024) and only on the white board containing the specific poster codes.**

- **Poster Presentation Guidelines**

- Each poster will be mounted on a white board. The actual poster content will need to fit into an area of **100 cm wide X 180 cm high**. The poster will be placed on a white board (**110 cm wide X 200 cm high**).
- The following topics are suggested for inclusion in your poster in the following order: Title (project title, names and affiliations), Abstract, Project Objectives, Background, Materials and Methods, Results and Conclusions.
- Use as few words as possible. Bulleted lists are encouraged. Use at least 18-point font. Photographs, graphs, and schematics are best with descriptive figure titles.
- Keep everything as simple as possible and try to avoid overcrowding your poster. It is important that your poster is easily read by all.

- **Preparation of abstracts**

- **Title:** Use a concise title that reflects abstract content. Do not use acronyms, abbreviations, and initials in a title.
- **Author/Institution:** When multiple authors submit an abstract, clearly identify one contact author and provide complete contact information. List author institution affiliation below each author's name, followed by the city of the institution, except when authors share the same institutional affiliation.
- **Abstract:** Abstract should include objective, methodology, main results, and conclusions. Do not use headers, references, charts, figures, or tables in the abstract, it should not exceed 500 words.

**جامعة الفيصل**  
Alfaisal University

We extend our sincerest gratitude to Alfaisal University for generously providing the venue for our ACP Saudi Arabia Chapter Annual Meeting. Furthermore, we commend the institution for nurturing exceptional medical students who play a pivotal role in enriching and shaping this gathering.

# Acknowledgments

## **Prof. Faisal Abaalkhail**

Consultant, Gastroenterology & Hepatology  
King Faisal Specialist Hospital & Research Centre  
Professor of Medicine, Alfaisal University  
Expert in liver transplantation, with leadership roles in hepatology societies.

## **Prof. Khaled AlKattan**

Consultant, Thoracic Surgery  
King Faisal Specialist Hospital & Research Centre  
Vice president of administration and finance,  
Dean of college of medicine, Alfaisal University.

## **Dr. Akef Obeidat**

Vice Dean, Quality Assurance and Accreditation  
Associate Professor of Anatomy & Medical education  
College of Medicine, Alfaisal University

## **Dr. Abdulaziz Alkhallaf**

Consultant, Rheumatology and Executive Health Medicine  
King Faisal Specialist Hospital & Research Centre

## **Dr. Abdullah Almahmoud**

Consultant, Gastroenterology and Hepatology  
Dr. Soliman Fakeeh Hospital  
Expert in digestive health, focusing on advanced hepatology and therapeutic endoscopy.

# Acknowledgments

## **Dr. Abdullah Alguwehez**

Consultant, Adult Endocrinology  
Dallah Hospital  
Associate Professor, King Saud University  
Expert in diabetes, technology, and complications.

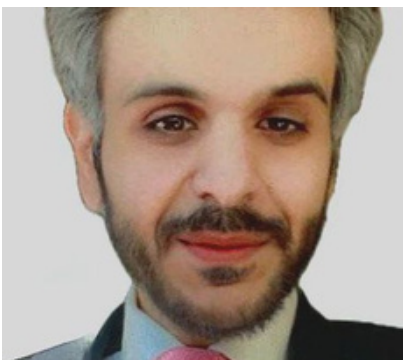

## **Dr. Abdulmohsen Baksh**

Consultant, Internal Medicine & Endocrinology  
King Faisal Specialist Hospital & Research Centre  
Focused on immunotherapy and prevention trials in type 1 diabetes.

## **Dr. Ahmad Alhamami**

Consultant, Interventional Cardiology and Heart Transplantation  
King Faisal Specialist Hospital & Research Centre  
Specialist in complex coronary interventions.

## **Dr. Ahmed Almumtin**

Consultant, General Surgery  
Royal Commission Health Services  
Vascular and Endovascular surgery fellow  
King Faisal Specialist Hospital & Research Centre

## **Dr. Ahmed BaHammam**

Professor of Medicine, Pulmonary and Sleep Medicine  
King Saud University  
Renowned expert in sleep disorders, with extensive leadership in academic and research settings.

# Acknowledgments

## Dr. Ali Albarrak

Consultant, Internal Medicine and Infectious Diseases  
Prince Sultan Military Medical City  
Leader in infectious diseases and public health with numerous publications.

## Dr. Ali Aljanoubi

Consultant, Adult Critical Care Medicine  
King Fahad Medical City  
Associate Program Director of Critical Care Residency and Fellowship Training Program

## Dr. Ali Alshehri

Consultant, Obesity Medicine  
King Fahad Medical City  
Focuses on obesity-related complications and metabolic disorders.

## Dr. Ameen Alahmadi

Consultant, Nephrology and Internal Medicine  
King Faisal Specialist Hospital & Research Centre  
Director, Adult Nephrology Fellowship Program at King Faisal Specialist Hospital & Research Centre

## Dr. Eman Alrajhi

Consultant, Internal Medicine  
King Faisal Specialist Hospital & Research Centre  
Specializes in thrombosis, with research contributions in the field.

# Acknowledgments

## **Dr. Fahad Almugbel**

Consultant, Medical Oncology  
King Faisal Specialist Hospital & Research Centre  
Specializes in GI/GU cancers and geriatric oncology.

## **Dr. Faisal Al Belawi**

Consultant, Rheumatology  
King Fahad Medical City  
Experienced In characteristic features of lupus patients with neuropsychiatric manifestations

## **Dr. Hamad Al-Draye**

Specialist, Neurology  
King Faisal Specialist Hospital & Research Centre  
Contributor to society with over 5000+ Volunteering hours and participating with 40+ Charities in Saudi Arabia

## **Dr. Hatem Alnasser**

Assistant Professor & Consultant of Internal Medicine & Nephrology  
Current Nephrology Division Head in KSUMC. Graduated his residency and nephrology fellowship as well as home therapies from University of Alberta Canada

## **Dr. Ibrahim Almulla**

Fellow in Rheumatology  
King Fahad Medical City  
Interested in leadership and medical education with a focus on immunology.

# Acknowledgments

## Dr. Ibrahim Alomar

Senior Adult GI Fellow  
King Faisal Specialist Hospital & Research Centre  
Award-winning fellow with a focus on liver disease and gastroenterology.

## Dr. Khalid Qushmaq

Consultant, Internal Medicine & Rheumatology  
King Fahad Medical City  
Assistant Professor at King Fahad Medical City  
Specializes in rheumatology with contributions to healthcare administration.

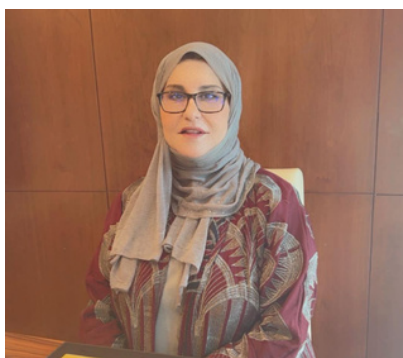

## Dr. Maryam Ajeebi

Resident, Internal Medicine  
King Faisal Specialist Hospital & Research Centre  
Engaged in research and international representation in medical competitions.

## Dr. Muath Alkhunizan

Consultant, Family Medicine  
King Faisal Specialist Hospital & Research Centre  
Director, FM Residency Program. Adjunct Assistant Professor, Al Faisal University. Chairman, Educational Committee. Deputy Chairman, Research Committee.

## Prof. Nahlah Azzam

Professor of Internal Medicine, Gastroenterology  
King Khalid University Hospital  
Associate Director for Assessment at postgraduate office (PGME), KSU. Leader in gastroenterology with extensive research publications.
