Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Relevant Publications and Other Intellectual Interests for Ongoing Projects

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any relevant interests held by you or any household members from the last 3 years that may be relevant to the below topic areas. You do not need to report publications developed on behalf of ACP.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
 - Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, membership in special interest groups, or the development, testing and/or maintenance of performance measures in these areas.
- *Financial interests* are defined as any payments received in exchange for services or any financial value derived from holdings
 - Examples of financial interests include stock ownership, excluding diversified funds, such as mutual funds

You may also share a list of publications via a link to list of your published works (such as ORCID or PubMed) or as an attachment (write “see attachment” in table).

Performance Measurement Committee: Topic Areas for Measure Review

Clinical Topic Area	Relevant Publications (Peer- and Non-Peer-Reviewed Sources) or Measure Development Projects (Development, Testing, and/or Maintenance)
	<i>Report from last 3 years only. If none, write “None”. If yes, please provide additional details next to the relevant topic.</i>
Colorectal cancer screening and surveillance	
Colonoscopy	
Diabetes	
Major depressive disorder	
Osteoporosis	

Acknowledgements and Attestations

By signing this form,

- I acknowledge that in order to maintain transparency, all participants’ disclosure of interests will be publicly available on ACP’s website and a link to the disclosures will be included in each published work.
- I attest that I have reviewed the above topic areas and that my disclosures are up to date.

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Relevant Publications and Other Intellectual Interests for Ongoing Projects

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any relevant interests held by you or any household members from the last 3 years that may be relevant to the below topic areas. You do not need to report publications developed on behalf of ACP.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
 - Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, membership in special interest groups, or the development, testing and/or maintenance of performance measures in these areas.
- *Financial interests* are defined as any payments received in exchange for services or any financial value derived from holdings
 - Examples of financial interests include stock ownership, excluding diversified funds, such as mutual funds

You may also share a list of publications via a link to list of your published works (such as ORCID or PubMed) or as an attachment (write “see attachment” in table).

Performance Measurement Committee: Topic Areas for Measure Review

Clinical Topic Area	Relevant Publications (Peer- and Non-Peer-Reviewed Sources) or Measure Development Projects (Development, Testing, and/or Maintenance)
	<i>Report from last 3 years only. If none, write “None”. If yes, please provide additional details next to the relevant topic.</i>
Colorectal cancer screening and surveillance	None
Colonoscopy	None
Diabetes	None
Major depressive disorder	None
Osteoporosis	None

Acknowledgements and Attestations

By signing this form,

- I acknowledge that in order to maintain transparency, all participants’ disclosure of interests will be publicly available on ACP’s website and a link to the disclosures will be included in each published work.
- I attest that I have reviewed the above topic areas and that my disclosures are up to date.

Additional Questions

1. Please specify any additional information which you consider relevant to this disclosure.

All research funding and consulting is from the U.S. governmental agencies or professional organizations

2. ACP requires your annual affirmation to abide by its Disclosure of Interests and Management of Conflicts Policy, Non-Disclosure Agreement, Intellectual Property Policy, and Anti-Harassment Policy if you're submitting your disclosures to ACP as a member of an ACP governance group or as College staff, as part of ACP's annual disclosure process.

a. Are you submitting your disclosures to ACP as a member of one of the following groups:

- **ACP board, committee, council, task force, and/or other governance group?**
- **Chapter Council or other Chapter leadership role?**

- National or chapter staff?
- Annals of Internal Medicine editorial staff?
- Other (meeting guests, contractors, authors, etc.)

Yes.

i. I, the undersigned, acknowledge I have read and agree to abide by the American College of Physician's **Disclosure of Interests and Management of Conflicts Policy**.

Yes

ii. I, the undersigned, enter into the **Non-Disclosure Agreement** between myself and the American College of Physicians, which governs the disclosure and furnishing of ACP's members of the Board of Regents, Board of Governors, Committees, Councils, Governors-elect and Chapter Personnel in any such Work Group of ACP, with information developed for ACP, deemed "Proprietary Information."

Yes

iii. I, the undersigned, intending to be legally bound, hereby declare and agree to terms of participation in the ACP Group activities of ACP as specified in the **ACP Intellectual Property Policy**.

Yes

iv. I, the undersigned, acknowledge I have read and agree to abide by the American College of Physician's **Anti-Harassment Policy**.

Yes

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Relevant Publications and Other Intellectual Interests for Ongoing Projects

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any relevant interests held by you or any household members from the last 3 years that may be relevant to the below topic areas. You do not need to report publications developed on behalf of ACP.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
 - Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, membership in special interest groups, or the development, testing and/or maintenance of performance measures in these areas.
- *Financial interests* are defined as any payments received in exchange for services or any financial value derived from holdings
 - Examples of financial interests include stock ownership, excluding diversified funds, such as mutual funds

You may also share a list of publications via a link to list of your published works (such as ORCID or PubMed) or as an attachment (write “see attachment” in table).

Performance Measurement Committee: Topic Areas for Measure Review

Clinical Topic Area	Relevant Publications (Peer- and Non-Peer-Reviewed Sources) or Measure Development Projects (Development, Testing, and/or Maintenance)
	<i>Report from last 3 years only. If none, write “None”. If yes, please provide additional details next to the relevant topic.</i>
Colorectal cancer screening and surveillance	None
Colonoscopy	None
Diabetes	Author of AHRQ-funded systematic review on screening for gestational diabetes
Major depressive disorder	None
Osteoporosis	None

Acknowledgements and Attestations

By signing this form,

- I acknowledge that in order to maintain transparency, all participants’ disclosure of interests will be publicly available on ACP’s website and a link to the disclosures will be included in each published work.
- I attest that I have reviewed the above topic areas and that my disclosures are up to date.

Additional Information: From Sept 2023 - April 2024 I was a UnitedHealthcare Northeast Medical Advisory Committee member and provided feedback on policies and practices designed to support quality of care. I attended two 2-hours meetings during that time. I am no longer participating in this activity.			

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Relevant Publications and Other Intellectual Interests for Ongoing Projects

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any relevant interests held by you or any household members from the last 3 years that may be relevant to the below topic areas. You do not need to report publications developed on behalf of ACP.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
 - Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, membership in special interest groups, or the development, testing and/or maintenance of performance measures in these areas.
- *Financial interests* are defined as any payments received in exchange for services or any financial value derived from holdings
 - Examples of financial interests include stock ownership, excluding diversified funds, such as mutual funds

You may also share a list of publications via a link to list of your published works (such as ORCID or PubMed) or as an attachment (write “see attachment” in table).

Performance Measurement Committee: Topic Areas for Measure Review

Clinical Topic Area	Relevant Publications (Peer- and Non-Peer-Reviewed Sources) or Measure Development Projects (Development, Testing, and/or Maintenance) <i>Report from last 3 years only. If none, write “None”. If yes, please provide additional details next to the relevant topic.</i>
Colorectal cancer screening and surveillance	None
Colonoscopy	None
Diabetes	Grant: NIH/NIDDK 1R18DK118590; Role: Co-Investigator, 2021 and 2024-2025 Thomas Jefferson University, Philadelphia, PA Title: A pragmatic randomized controlled trial assessing the impact of medically tailored meals and medical nutrition therapy via telehealth among patients with diabetes.
Major depressive disorder	None
Osteoporosis	None

Additional Questions

1. Please specify any additional information which you consider relevant to this disclosure.

Dotdash Inc was recently purchased and changed name to Meredith Corp.

2. ACP requires your annual affirmation to abide by its Disclosure of Interests and Management of Conflicts Policy, Non-Disclosure Agreement, Intellectual Property Policy, and Anti-Harassment Policy if you're submitting your disclosures to ACP as a member of an ACP governance group or as College staff, as part of ACP's annual disclosure process.

a. Are you submitting your disclosures to ACP as a member of one of the following groups:

- ACP board, committee, council, task force, and/or other governance group?
- Chapter Council or other Chapter leadership role?
- National or chapter staff?
- Annals of Internal Medicine editorial staff?
- Other (meeting guests, contractors, authors, etc.)

Yes.

i. I, the undersigned, acknowledge I have read and agree to abide by the American College of Physician's Disclosure of Interests and Management of Conflicts Policy.

Yes

ii. I, the undersigned, enter into the Non-Disclosure Agreement between myself and the American College of Physicians, which governs the disclosure and furnishing of ACP's members of the Board of Regents, Board of Governors, Committees, Councils, Governors-elect and Chapter Personnel in any such Work Group of ACP, with information developed for ACP, deemed "Proprietary Information."

Yes

iii. I, the undersigned, intending to be legally bound, hereby declare and agree to terms of participation in the ACP Group activities of ACP as specified in the ACP Intellectual Property Policy.

Yes

iv. I, the undersigned, acknowledge I have read and agree to abide by the American College of Physician's Anti-Harassment Policy.

Yes

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)

American College of Physicians	Employment Current Employment	Self	-
<p>Title: Senior Scientist Start Date: 05/31/2022 Additional Information:</p> <p>Position Description: I am a methodologist contributing to or leading work on evidence synthesis to inform clinical guidelines. End Date: Ongoing / No Known End Date</p>			

Additional Questions

1. Please specify any additional information which you consider relevant to this disclosure.

I have worked on a number of evidence reviews concerning internal medicine topics in the past 3 years, and was the senior author on the osteoporosis review for ACP. I am also an author of the colorectal cancer guidance statement, COVID practice points, and migraine and diabetes guidelines, etc.

2. ACP requires your annual affirmation to abide by its Disclosure of Interests and Management of Conflicts Policy, Non-Disclosure Agreement, Intellectual Property Policy, and Anti-Harassment Policy if you're submitting your disclosures to ACP as a member of an ACP governance group or as College staff, as part of ACP's annual disclosure process.

a. Are you submitting your disclosures to ACP as a member of one of the following groups:

- ACP board, committee, council, task force, and/or other governance group?
- Chapter Council or other Chapter leadership role?
- National or chapter staff?
- Annals of Internal Medicine editorial staff?
- Other (meeting guests, contractors, authors, etc.)

Yes.

i. I, the undersigned, acknowledge I have read and agree to abide by the American College of Physician's [Disclosure of Interests and Management of Conflicts Policy](#).

Yes

ii. I, the undersigned, enter into the [Non-Disclosure Agreement](#) between myself and the American College of Physicians, which governs the disclosure and furnishing of ACP's members of the Board of Regents, Board of Governors, Committees, Councils, Governors-elect and Chapter Personnel in any such Work Group of ACP, with information developed for ACP, deemed "Proprietary Information."

Yes

iii. I, the undersigned, intending to be legally bound, hereby declare and agree to terms of participation in the ACP Group activities of ACP as specified in the [ACP Intellectual Property Policy](#).

Yes

iv. **I, the undersigned, acknowledge I have read and agree to abide by the American College of Physician's Anti-Harassment Policy.**

Yes

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual or other relevant interests held by you or any household members from the last 3 years that may be relevant to the below topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
- Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, or membership in special interest groups.

Topics Currently Under Development

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual or other relevant interests held by you or any household members from the last 3 years that may be relevant to the below topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
- Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, or membership in special interest groups.

Topics Currently Under Development

In the table below, please list any relevant intellectual interests (including relevant publications from peer- and non-peer-reviewed sources or other relevant interests not captured in your Convey.

You only need to report interests from the last 3 years and you do not need to report publications developed on behalf of ACP.

You may also share a list of publications via a link to list of your published works (such as ORCID or PubMed) or as an attachment (write “see attachment” in table).

Clinical Topic Area	Relevant Interests from Last 3 Years <i>If none, write “None”</i>
Breast Cancer	
Depression	
Hyperlipidemia	
Hypertension	
Insomnia	
Menopausal Therapy	
Migraine	
Obesity	Obesity Roundtable Discussion / ACP Strategy & Obesity Initiative
Osteoporosis	
COVID-19	Multiple Annals pubs after COVID, ACP/Annals Forums
Cannabis	
Colorectal cancer screening and surveillance	
Colonoscopy	
Diabetes	Annals Publication – “Newer Pharmacologic Treatments for Type 2 Diabetes”

Acknowledgements and Attestations

By signing this form,

- I acknowledge that in order to maintain transparency, all participants' disclosure of interests will be publicly available on ACP's website and a link to the disclosures will be included in each published work.
- I attest that I have reviewed the above topic areas and that my disclosures are up to date.

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual or other relevant interests held by you or any household members from the last 3 years that may be relevant to the below topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
- Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, or membership in special interest groups.

Topics Currently Under Development

In the table below, please list any relevant intellectual interests (including relevant publications from peer- and non-peer-reviewed sources or other relevant interests not captured in your Convey.

You only need to report interests from the last 3 years and you do not need to report publications developed on behalf of ACP.

You may also share a list of publications via a link to list of your published works (such as ORCHID or PubMed) or as an attachment (write “see attachment” in table).
